Built up size: 529 m2

Bedrooms: 7

Hidden Oasis in the Heart of Aruba – Expansive Estate with Limitless Potential Welcome to Ierlandstraat 20, a hidden gem perfectly located between Oranjestad and Noord. From the outside, behind the private wall lies a lush and expansive estate sitting on 1,588 m² of full ownership land. Walking distance to the ocean, a major supermarket, and just minutes from Eagle Beach, Palm Beach, and the vibrant downtown area. Despite its central location, this gated property feels like a private retreat. A gated entrance leads to a two-car carport and a lush yard that wraps around the entire home. Inside, you'll find approx. 529 m² of built-up area, spread across a spacious main house and multiple detached units. The main house opens into an expansive entry hall with high ceilings and endless potential. French doors lead to a bright, open
