Location: Oranjestad

Lot size: 932 m2

Bathrooms: 3

Built up size: 281 m2

Bedrooms: 5

This comfortable modern family home features 5 bedrooms and three bathrooms. Strategically located at Pavia, not far from town, beach and airport and only minutes away from schools and supermarkets, this home is ideal for families or professionals seeking privacy and convenience. The house is situated on a generous parcel of 10.000 square feet and the living space measures 3900 square feet. The ground floor features a half open kitchen with entertainment area, a spacious open entry/ reception area living room and dining room, three bedrooms, two bathrooms, laundry and generous walk-in closets. On the first floor there are two bedrooms, one bathroom and a common area. All bedrooms are equipped with air conditioning. The interior has a primarily white décor and tall ceilings, which gives the house a spacious modern feeling. The living room opens to a large
